

TRACE HEATING : TEL(0191) 490 1547

FAX:(0191) 477 5371

NATIONWIDE TRACE HEATING SPECIALISTS SINCE 1985

PROJECT UPDATE 2006

**Frost Protection of Water Pipes Hot Water Temperature Maintenance
Snow Melt Heating Systems for Road, Ramp & Access Heating**

De-Icing Roof, Gutter & Down Pipe Systems

The Best Value Service in the UK

ELECTRIC UNDERFLOOR HEATING

WATER LEAK DETECTION SYSTEMS

Project : Offsted Royal Exchange Building
Application: Leak Detection/Frost Protection Trace Heating
Client: **OFFSTED**

Project : Unitary City Academy (Middlesbrough)
Application: Hot Water Temperature Maintenance Trace Heating
Client: **HADEN YOUNG**

Project : Bristol Harbour side
Application: Hot water temp maintain/frost protection
Client: **CROWN HOUSE**

Project : The Plaza Leeds
Application: 4KM of Hot Water Temperature Maintenance Trace Heating
Client: **CARILLION**

Project : Gatshead Int Sports Centre
Application: Hot Water Temperature Maintenance Trace Heating
Client: **BALFOUR KILPATRICK**

Project : Neville Hill Train Care Depot
Application: Frost protection to the train wash system
Client: **ARMSTRONG**

Project : Basingstoke Hospital
Application: Hot Water Temperature Maintenance
Client: **KIER**

Project : Glasgow Harbour side
Application: Frost Protection to water services
Client: **N G BAILEY**

Project : RAF Menwith Hill
Application: Hot Water Temperature Maintenance Trace Heating
Client: **HADEN YOUNG**

ELECTRIC UNDERFLOOR HEATING

WATER LEAK DETECTION SYSTEMS

Project :Asda
Application: Frost Protection to Sprinkler systems throughout the network of Asda stores
Client: **ASDA**

Project :Newcastle Int Airport
Application: Over 500m of Roof/Gutter Trace Heating
Client: **HADEN YOUNG**

Project Armada
Application: Frost Protection
Client: **INTERSERVE**

Project: Darlington Education Village
Application: Frost protection/hot water temp maintain
Client: **S/E/S**

Project :Bradford Bulls Stadium
Application: Frost protection to cold water services
Client: **EMCOR**

Project :Boldon School (PFI)
Application: Electric Underfloor Space Heating
Client: **BALFOUR KILPATRICK**

Project :Temple Circus (Bristol)
Application: Leak Detection
Client: **N G BAILEY**

Project :Malmesbury Sewage Works
Application: Frost Protection
Client: **WESSEX WATER**

Project :Metro Centre Car Park
Application: Ramp Heating
Client: **BALFOUR KILPATRICK**
