

DVS References

"We have installed in the region of 650 taps with virtually no problems in the last 7 years since we started installing them."

Dean Hazell
James Paget University
Hospitals NHS Foundation Trust

"We have found the products reliable and service has been efficient. We have developed a relationship with Dart Valley over a number of years and will continue to approach them."

Gillian Cox
Lloyds TSB

Lloyds TSB

"We are extremely satisfied with both the service received at negotiation, through of that to delivery/installation including quality and functionality fittings."

Maria Goody
99 Bishopsgate Management Ltd

"We have used DVS at Gatwick Airport for many years and have not had a problem with them; we find them robust to the wear and tear that they get from passengers."

Paul Thompson
Gatwick Airport

"Providing a high standard of facilities for our customers remains very import to RML & our use of DVS no-touch products which look smart, are hygienic & easy to use allows this to continue."

Tom Turnbull
RoadChef Motorways Limited

"DVS provide a range of superior products & after sales package, to cater for the demands of Mental Health hospital environments. With successful installations at our Radbourne, Hartington & LRCH hospital sites with only positive feedback is quite an achievement."

**Simon Orridge, Derbyshire
Healthcare Foundation Trust NHS**

"Having recently introduced the DVS products into washrooms at the Students Union, we have found all products to be well-designed, well-finished and first class in operation."

**Dean Hazell
University of East Anglia**

"DVS have always impressed me with their products and service, which come with a 2 year warranty. Having installed them 3 years ago, they are still going strong with no call outs required. The customers are always complimentary of our washroom facilities and often comment why other restaurants don't do the same."

**Taimoor Sheikh, Franchisee
McDonalds Restaurant**

"Dart Valley products are excellent and very reliable. Your help has been very much appreciated and once we have completed the outstanding work I am doing with you, will prove that with your help the Dart Valley product will be the best in market."

**Mohan Modhwadia
BAA Heathrow Airport**

"We would like to take this opportunity to thank you and that of Dart Valley Systems for the work carried out over the last 8 months at Zebra Technologies Ltd. The work undertaken at our facility has been of a high standard and we will gladly recommend your services to other companies."

**Mark Richmond
Zebra Technologies**
